Tom Gateway My TV Wichita 316 N. West St. Wichita, KS 67203

Dear Tom,

Thanks to your support, Taking it to the Streets 2006 was a **HUGE SUCCESS!** More than 300 volunteers helped sell 22,000 special edition newspapers, raising nearly \$29,000 for United Way of the Plains. This represents about \$7,000 and 4,000 copies more than last year's contributions, which means that once more our results have increased every year since our first campaign in 2003.

You **HELPED BIG** and we so appreciate your time, talent and commitment to this important cause! Please also share our appreciation with the people in your company who were integral to our success this year. We hope everyone had fun, and we know that your efforts helped get United Way's annual campaign off to a great start!

Although it's nearly 12 months away, next year's event marks the fifth anniversary for Taking it to the Streets. We hope you'll save the date—September 11, 2007—and begin making **BIG PLANS** to ensure that the anniversary event is even more successful and fun! Thank you again, and we look forward to working with you next year on Taking it to the Streets for United Way!

Sincerely,

Chris Elston

KSAS-FOX Kansas Attn: Tom Gdisis 316 N. West St. Wichita, KS 67203

Dear Tom,

On behalf of the Wichita Habitat for Humanity Board of Directors, partner families, and staff, I would like to thank you and the employees of KSAS-FOX Kansas for choosing to volunteer with Wichita Habitat for Humanity as part of your Spirit Day 2006 activities.

Volunteers are an essential part of helping us transform the lives of people who are in need of safe, decent, and affordable housing. Since we sell our houses to our partner families for what it costs to construct them, it is the work of volunteers that makes it possible for low-income families to purchase their Habitat homes at a truly affordable price.

We are always so thankful when group like yours choose to give of their time and energy, but we are especially grateful for your efforts to help us raise awareness in the community of the need for simple, decent, affordable housing, which we are working so hard to provide.

It has been a pleasure to work with you and we look forward to working with you again soon.

With Sincere Appreciation,

Melissa Loibl

Tom:

Thank you for all you and the Fox Kansas/My TV Wichita team did for this year's American Heart Association Heart Walk. We absolutely couldn't have done it without you.

While our numbers were a bit lower than we would have hoped, the event was still a tremendous success. We experienced a great boost of support on the media front, with Fox/My TV helping to lead the pack. Thanks for coordinating production our PSA, the air time, and the support from Rebecca Gannon. I enjoyed learning to know her; she's great to work with.

On behalf of others on the board and staff, we're deeply grateful.

Tom Gateway FOX Kansas 316 North West Street Wichita KS 67203-1205

Dear Tom,

Well, we did it! The premier Downing Concert Series has been deemed a success. And you were a major player in that success. Wichita still is buzzing with stories about the Gala Dinner and Chicago's incredible performance. We hope you had as much fun as we did.

But the night wasn't all about fun. It was also about supporting the arts in Wichita and more specifically about supporting The Wichita Center for the Arts. With your help and the effort of other generous sponsors we raised more than \$500,000.

Because of your contribution, funds will be available to bring world-class collections of paintings and sculpture to the gallery, award winning productions to the theatre and educational art classes to the Mary R. Koch School of Visual Arts.

Thank you for helping colour Wichita's world for just one night.

Sincerely,

Dear David:

On behalf of the Kansas Chapter of The Leukemia & Lymphoma Society, thank you for being one of our Presenting sponsors at our 17th Annual Preferred Health Systems Leukemia Golf Classic.

Your gift will enable research to continue in our efforts to find a cure for leukemia, lymphoma, Hodgkin's disease and myeloma.

The Kansas Chapter also provides patient services, including financial assistance, support groups, peer-to-peer counseling, advocacy, a school re-entry program, community resources and referrals, and both public and professional education.

With your help we will be able to reach our goal of finding cures while improving the quality of life for our patients and their families. Thank you again for your part in our life saving efforts. I hope we will be able to count on your continued support in the future. I can be reached at 316-687-2222 to discuss future involvement or answer any questions you might have.

Dear Carl,

On behalf of the board and staff, thank you for supporting The Museum of World Treasures 1st Annual MOWTsquerade Ball fundraiser. Your contribution of \$2000 worth of advertising is so greatly appreciated! The fundraiser was a huge success, thanks to the support and contributions of people like you.

The Museum of World Treasures is a private, non-profit Kansas corporation dedicated to serve the community via opportunities for learning, education, and leisure. The museum displays a collection valued at over 50 million dollars (about 40% of which is actually owned by the museum), including two royal Egyptian mummies, one of the finest displays of authentic battling dinosaurs in the world, and an original draft of the Emancipation Proclamation (signed by President Lincoln). The museum operates within the generous support received both locally and internationally from individuals, private foundations, and corporations.

The Museum of World Treasures has experienced incredible success this past year including 50% growth in attendance, acceptance into the internationally recognized American Association of Museums' Museum Assessment Program, as well as unveiling some exciting new exhibits such as an Amlash Exhibit of zoomorphic artifacts dating back to 2500 B.C. from ancient Iran, a Vietnam library display, and arguably the museum's most amazing exhibit to date soon to be announced. These accomplishments could not have been possible without the help of many donors and sponsors such as you.

Once again, thank you for your generosity.

The skeletons, bats and tombstones are all put away after another fabulous weekend of spooktacular fun and we couldn't have done it without you! Thank you for your support of the Sedgwick County Zoo's Night of the Living Zoo! Fox Kansas & My TV Wichita are vital components to the success of this event and we would not be able to host such a successful event without your support.

This year's Night of the Living Zoo hosted over 8,800 little ghost and goblins during this year's three nights of Halloween fun! We thank you for promoting and participating in this event. As always it was a pleasure working with you and having Fox Kansas & My TV Wichita as sponsors.

Enclosed you will find an inkind donation form. The IRS requires us to send you a receipt for donations above \$75. In order to do this in a timely manner I will need this form returned to me as soon as possible. Please be sure to include the number of spots that were aired and their approximate value.
